

The University of Texas at Austin
**Civil, Architectural and
Environmental Engineering**
Cockrell School of Engineering

Outstanding Young Alumnus/Alumna Award

About the Award:

Established in 2003, the Outstanding Young Alumnus/Alumna Award recognizes a graduate of the Department of Civil, Architectural and Environmental Engineering under the age of 40 who has distinguished him or herself with outstanding service and contributions to the engineering profession and community.

Eligibility:

The nominee must have received a degree (BS, MS or Ph.D.) from the Department of Civil, Architectural and Environmental Engineering at the University of Texas at Austin and 40 years of age or younger by May 1, 2018.

Award Criteria (Nominee's career accomplishments):

- Distinguished professional achievements.
- Contributions to engineering profession and community and/or service to the Department of Civil, Architectural and Environmental Engineering, Cockrell School of Engineering, and/or University of Texas at Austin
- Community activities (involvement in public service, service organizations, and/or charitable causes).

Nominating Process:

Nominations are open to anyone wishing to participate. The deadline to submit nominations is May 1, 2018.

Complete this **nomination form**, attach a **resume/CV** (max. 3 pages), and a **narrative** that highlights the nominee's career accomplishments and addresses each award criteria.
