City/State/Zip _____

II. MEMBERSHIP QUALIFICATIONS FOR THE CIVIL, ARCHITECTURAL AND ENVIRONMENTAL ENGINEERING ACADEMY OF DISTINGUISHED ALUMNI

- A. Active Members shall be limited to living individuals duly elected and subject to the following conditions and considerations:
1. Each Active Member shall hold a BS, MS or PhD degree from The University of Texas at Austin Department of Civil, Architectural and Environmental Engineering granted at least fifteen (15) years prior to election and meet the requirements of one of the following categories.
 - a. An outstanding engineer practitioner and/or possesses recognized expertise in one or more fields of civil engineering.
 - b. An outstanding and recognized leader who has achieved distinction in a chosen field other than civil engineering.
 - c. An outstanding and recognized academician, scientist, or researcher in civil engineering or other chosen field.
 2. An Active Member shall be a person worthy of emulation and someone the community sees as a leader and a role model for young people with recognition based on the following attributes:
 - a. A leader of people or a project of unusual scope or concept, or a business that has achieved outstanding success.
 - b. Active in professional or career organizations.
 - c. A recipient of honors in the nominee's profession or career.
 - d. Active in the community by involvement in public service, service organizations and/or charitable causes.
 - e. Be an active lecturer or writer on subjects related to the nominee's chosen field.
 3. Each Active Member shall have been elected by letter ballot (Section IV) except that the initial charter membership of the Academy shall consist of all living Distinguished Graduates of the College of Engineering who meet the degree requirements of Section IIA1 plus the three individuals who have been selected by the Department as Outstanding Graduates in 2001-2003.
 4. An Elected Active Member shall be present for induction as an Active Member at the first induction ceremony held after election. An Elected Member who accepts but who cannot be present at this induction ceremony may elect to be inducted at the next annual induction ceremony. An Elected Member who is unable to appear at either scheduled induction ceremony shall have the invitation to have membership withdrawn. Such an elected but withdrawn member can be resubmitted by the nomination committee.

HONORARY MEMBERSHIP QUALIFICATIONS

II. MEMBERSHIP QUALIFICATIONS FOR THE CIVIL, ARCHITECTURAL AND ENVIRONMENTAL ENGINEERING ACADEMY OF DISTINGUISHED ALUMNI

- B. Honorary Members shall be limited to individuals duly elected and subject to conditions that:
1. A person to be considered for Honorary Membership shall be one who possesses the qualities necessary for Active Membership in the Academy but does not have a civil engineering or related degree from The University of Texas at Austin, provided the person has a civil engineering or related degree from another university and has provided outstanding services to The University of Texas at Austin Civil, Architectural and Environmental Engineering Department.
 2. Each Honorary Member shall have the approval of a majority of the Directors and have been elected by letter ballot (Section IV).
 3. At no time shall the number of living Honorary Members exceed ten percent of the Active Members.
 4. Honorary Members shall have all the rights, privileges and responsibilities of Active Members except that they shall not be officers of the Board of Directors.
 5. An elected Honorary Member's induction shall be held at the first induction ceremony following election.
